

## **POLICY OF THE GEORGIA BOARD OF PRIVATE DETECTIVE & SECURITY AGENCIES REGARDING REINSTATEMENT OF LAPSED COMPANY LICENSES**

At the August 9, 2007 meeting of the Georgia Board of Private Detective & Security Agencies, the Board voted to establish the following policy regarding the reinstatement of lapsed company licenses for Private Detective Companies, Private & In-House Security Companies, and Private Detective & Security Companies:

- Effective August 1, 2007, the company must submit a completed Application Package for Company Licensure within 60 days. A completed application package will include all original supporting documents required for the initial licensure application for the company, along with a set of fingerprint cards issued by the Board and the \$24.00 processing fee payable to the GBI.
- Applications for reinstatement received after the 60-day period will require the applicant to retake the appropriate examination(s) to reinstate the company license. Upon successful completion of the examination(s), the Board may approve the reinstatement of licensure under terms of a Consent Agreement for Reinstatement of Company Licensure that will include a fine of \$500.00 per month since August 1, 2007 for operating in a company without a license.
- The reinstatement fees for the company licenses are posted on a revised Fee Schedule available on the Board website under the Download Forms link.
- The Board voted to send notification to all affected companies of the lapsed status of the company licenses, along with a Voluntary Cease & Desist Order, and the details expressed in the Board Policy Regarding Reinstatement of Lapsed Company Licenses.
